

GAME SETUP

1a) Place the game board and put the rounds marker on round I. 1b) Place the instrument bonus tiles, five city dice and one draw variety die next to the game board.

2a) Shuffle and place the level 1 card stacks face down; all level 1 Compose cards in one stack, all level 1 Perform, Teach, Tell Tale and Do Good (4 and 5 player, add extra) cards in the other stack. Place the top card of both stacks **face up**. 2b) Place the level 2 and level 3 cards next to the game board.

3) Give every player a (default) player board and one Strings, Woodwinds and Brass bonus tile as well as one each of black and red progress circles numbered 1 and 2. Every player takes 100 florins (gold worth 50 florins, silver worth 10 florins) and the two sided reference card (do-good 1 and actions).

4a) Every player places one of their player cubes marking an apartment on their player boards. 4b) Place two cubes left of the game board next to the black key numbered "1".

5) Determine starting player (player that has most recently played an instrument). Give them the Start piece.

6) Place the nine draw variety tiles randomly on the cities and towns; black side up on Troyes, Ulm and Linz, white side up next to each of the cities. **When Kalkbrenner and/or Clementi boards are in play, draw location tiles of factories.**

7) Randomly draw the first royal event from the royal event tiles and place it on the first royal event space.

8a) Draw a start city for every player from the remaining five royal event tiles. 8b) Place that player's remaining cube on this city. 8c) Shuffle the five royal event tiles and place them face down next to the game board.

9a) Keep the legacy tile "Multi-instrumentalist" only in play when all players use default player boards. 9b) Draw a legacy tile for the overall spot on the game board (9c). *If the legacy tile is "Sincerest Form of Flattery", draw another one and place it on the game board. Shuffle "Sincerest Form of Flattery" back in.* 9d) Every player now draws their own legacy tile and keeps it to themselves during the game.

Give every player a double sided reference card.

OVERVIEW OF CARDS

1 COMPOSE	2 COMPOSE	3 COMPOSE

OVERVIEW OF LEGACY TILES

INHERITANCE	Two points for every 100 florins Maximum of eight points	If you have 260 florins, you will get four points. The remaining 60 florins are not a full 100.
ROYAL PRAISE	Two points for each royal event tile No points if only played at event	If you have two Royal Event tiles at the end of the game; you will get four points. You don't get any points for events where you did not get the tile.
GENTLEMAN	Eight points for clean reputation Five points for 1 three points for 2	If you have one attacking level 2 card left that you can clear 1 off with the Do Good 1 that's still in front of you, you will get five points.
IN EQUAL MEASURE	Eight points for closest on 1 and 2 keys Five points for 3 three points for 5 (also if shared closest)	If you have four keys between your black (31) and white (20) scoring cubes, you will get three points. If your "keys between" are the fewest of all players, you will get eight points.
VALUED SKETCHES	Two points for each card on chain/bonus Only for cards in hand	You have Strings and Brass bonuses and 2 Strings and 1 Brass cards in your hand, you get six points.
SINCEREST FORM OF FLATTERY	Copy legacy of another player Choose after final royal event and before other players reveal legacy tile	You choose a player to copy from, they reveal Royal Praise, you score two points for every royal event tile you have.
MULTI-INSTRUMENTALIST	Two points for every bonus tile Do not use with character boards	You unlocked the Strings, Woodwinds and Flute bonus tiles, you get six points.
